

# COLOR METHOD

THE KEY TO ORGANIZATION

The Color Method is a process that utilizes color coding within practices to achieve a well-organized, efficient, stress-free environment.

start with

easy as

- STEP 1** | Request ZOBE through our online form and one of our efficiency experts will contact you.
- STEP 2** | See our products first-hand in your own practice!
- STEP 3** | Our experts will customize a plan to fit your needs!

**Zirc's Organizational Box of Efficiency** is a complementary resource that assists you in implementing the Color Method. It contains over 30 of our top-selling organizational products that will help you determine which ones are needed for specific procedures within your practice.

Ready for a stress-free and organized practice?  
register for ZOBE today at [www.zirc.com/zobe](http://www.zirc.com/zobe)

what's in the box?!

Hello, I'm Zirkie!

I am included in your ZOBE to help create a stress-free environment within your practice!

Hide me, Find me, Share me, and post photos along the way!
