

# ***Virtual Practice Clean Out***

Trying to really clean & organize your practice? Feeling overwhelmed or stressed about how to tackle it? We've got a new **FREE** service for you – **Zirc's Virtual Practice Clean Out!**

## ***Get help from organization experts!***

In a video conference, our **trained product & efficiency consultants** will educate you & your team on: how to **better manage inventory**; how to **properly store & manage materials**; & valuable tools to **keep your whole practice organized**.

Both of our product & efficiency consultants have over 20 years of experience as dental assistants!
